## March Hare Run March 24<sup>th</sup> 2024

*We had arranged lunch at an old Pub and planned the run route only to be advised few days ago that there would be a change of landlord and in the interregnum the Pub would be closed and our booking could not be honoured.*

*Plan B was needed urgently! Fortunately we have found a new hostelry but we will need to have an early lunch – so the plan is now:-*

We will leave **The Bridge Hotel at 10.30am** and travel on a country route for 50 minutes to 1 hour to arrive at our new destination at 11.30 when the Pub will open specially half an hour early so that we can get our drinks and finalise our orders before sitting down to eat for an early lunch at 12 noon.

As usual all travellers will receive a detailed route at The Bridge before departure.

We hope you all enjoy the run which is broadly in a South-South-East direction.

The return time to Wetherby (on Non Motorway roads) is 25-30 minutes.

**TO GIVE THE PUB NUMBERS OF DINERS IT IS ESSENTIAL THAT ALL MEMBERS JOINING IN THE RUN ADVISE COLIN AS SOON AS POSSIBLE IF THEY ARE COMING.**
